NEWS IN BRIEF

The real abortion fight is about killing black babies

Medication abortion, which consists of taking two pills, (mifepristone and misoprostol), is used for abortion at or under ten weeks after the first day of a person's last period. Medication abortion, which as of 2017 made up 39 percent of abortions in the United States, has been available in the United States since 2000.

White politicians arguing whether or not there should be restrictions to the over-the-counter availability of these pills can not say the real reasons they are arguing for or against the use of these pills so they claim it's "Prochoice" vs "Prolife". The real argument is that "Prolife" politicians don't like the fact that the murdering of unborn babies has backfired. The original intentions of legalizing abortion was to kill Black babies, but white women are killing white babies at a faster rate. The "Prochoice" politicians know that restrictions to the availability of these baby-killing drugs would result in less murders of Black babies and more murders of wealthier white babies.

President Donald Trump issued a rule in late December, 2019 that would end coverage of abortion care for more than 3 million low income people with plans on the Affordable Care Act (ACA). As, we all know, "low income" is code word for people of the Black Nation.

Camouflaged rhetoric of politicians include arguments like that of presidential candidate, Pete Buttigieg, who says that making medication abortion more accessible could have "unintended consequences". Elizabeth Warren reportedly said, she would direct the U.S. Food and Drug Administration (FDA) to "lift restrictions on misoprostol and mifepristone so that they can be made available over the counter" if she wins the presidency in 2020 and that "restrictions on medication abortion are medically unnecessary and exist

The Black politicians, who are just as blind to truth as those they are trying to lead, parrot the whites. The Bible calls it "The blind leading the blind". But the real disagreement that has always been between so-called "Republicans" and "Democrats", as Messenger Elijah Muhammad taught, is the Problem of what to do with America's ex-slave.

US Mass Killings at New High

The Associated Press reports there were 41 mass killings, defined as when four or more people are killed excluding the perpetrator. Of those, 33 were mass shootings and more than 210 people were killed.

According to the report, "there were more mass killings in 2019 than any year dating back to at least the 1970s"

The report does not have a complete count of victims who were wounded, but said, among three mass shootings that happened in August alone, more than 65 people were injured.

Firearms were, reportedly, the weapon in all but eight of the mass killings. Other weapons included knives, axes and at least twice when the perpetrator set a mobile home on fire, killing those inside. Nine mass shootings occurred in a public place. Other mass killings occurred in homes, in the workplace or at a bar.

White men commit nearly all mass murders in the United States, according to a Dec 12, 2019 report by Statista Research Department.

The Messenger warned that if there was ever a Black president of the United States, he would not rule white people. We have lived through that now and found that The Messenger was 100% right.

But despite the pitiful and shameful conditions surrounding Barak Obama's presidency, the superiority of Black Leadership shined through, as made evident in the world view of Nations around the world, when asked to compare the leadership of white vs Black.

Rule over white people is not the goal of true Black leadership. As Messenger Elijah Muhammad taught, "The Old World of mischief-making and bloodshed is now on its way out in order to make room for the new world of Righteousness and Peace."

The Messenger said, "for the two (God and devil) cannot rule together."

Again, Black Leadership won! Black people in America are fast learning that we had a man like Moses, raised up from among us to lead us out of the old world and into the new. But just as the people rejected Moses, at first, Black people have rejected the True Black Leadership of Messenger Elijah Muhammad.

True Black leadership will not come out of America's corrupt political system.

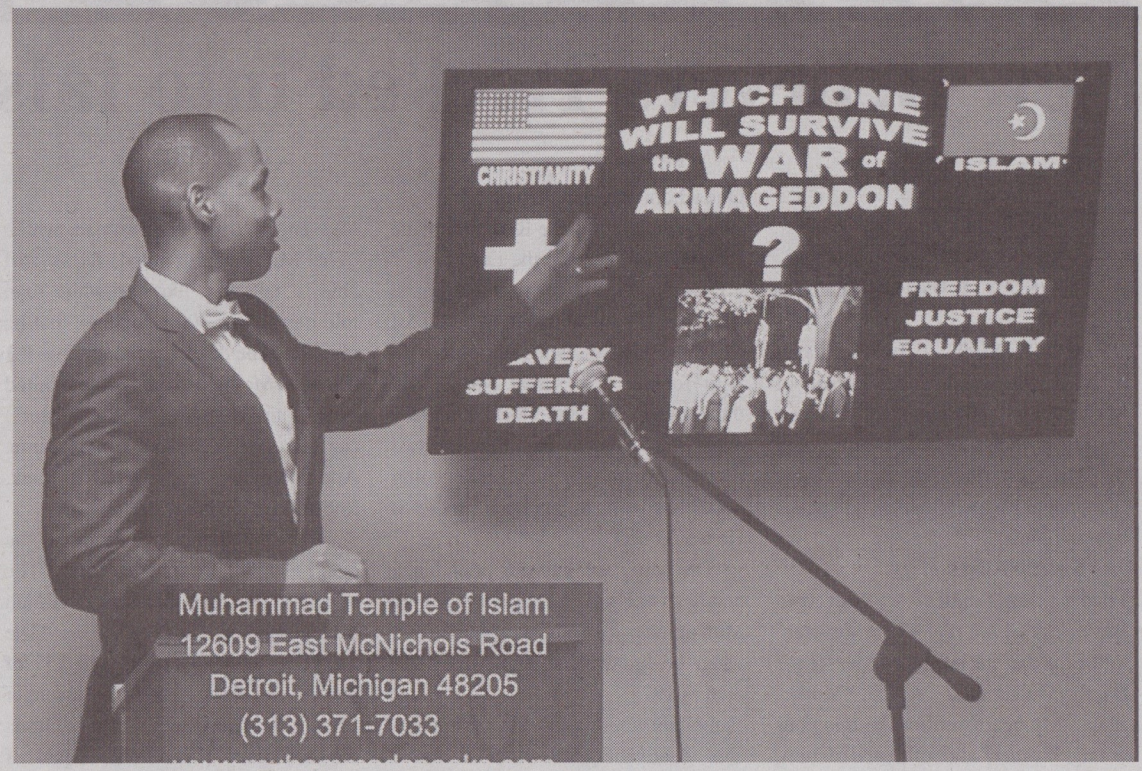
The Actual Facts Board

By

Minister Khalil Shabazz

The following article is an excerpt from the lecture given at Muhammad's Temple of Islam in Detroit, Sunday, December 29, 2019



Minister Khalil Shabazz points to "The Actual Facts Board" as he teaches on it, Sunday, December 29, 2019

DETROIT--In the Name of Allah, Who came in the Person of Master Fard Muhammad. And in the Name of His Last and Greatest Messenger, The Most Honorable Elijah Muhammad. I greet you in the Nation of Islam's greeting of peace, As-Salaam-Alaikum.

Today, Brothers and Sisters, we want to talk about our ACTUAL FACTS Board. And that's what this is called: The ACTUAL FACTS Board.

The first thing we want to know is: What does Actual Facts mean?

According to vocabulary.com Dictionary, "If you describe something that's actual, it really exists or is true. You might excitedly tell your friends that you saw an actual bald eagle land on your mailbox. Use the adjective actual when you want to emphasize that something is certain or confirmed, especially when it's different from what you expect."

So these are ACTUAL FACTS about the Devil and ACTUAL FACTS about The Blackman.

So what does fact mean? It says, "A fact is a thing that is known to be consistent with objective reality and can be proven to be true Courier. It reads: "We are rising from the dead, since we heard Messenger Muhammad speak. Before we heard The Teachings of Messenger Muhammad we, the so-called American Negroes, were in the grave of ignorance. We had been taught by our Chirstian slavemaster, as well as by our ignorant religious teachers, that God had cursed us black and sentenced us to a lifetime on earth of servitude to the Christian white race."

Before you accept The Teachings of The Messenger, you are in the grave of ignorance.

All Black people in America, who are not following The Messenger, are in the grave of ignorance, no matter what you call yourself. You can call yourself a "Pan-African". You are still in the grave of ignorance. You might call yourself a "Sunni Muslim". You are in the grave of ignorance. It doesn't make any difference. It's only two camps: Islam and Christianity; Black people, who are Muslim (righteous by Nature) and the Christian white race of devils (evil by Nature).

Islam is not a religion. Islam is refer to it AS a religion because people get caught up in religious philosophy and religious thought. They say, "I'm a Christian", "I'm a Jew". "I'm a Buddhist". So since our Nature is righteousness and it is our Nature to submit to the Will of Allah (God), if we're going to have a religion, Islam is our religion, because it's our Nature.

When we say "The Christian white race", we're not just talking about people that go to church. That's not what Christianity is. You don't have to believe in Jesus at all you lie, you're a Christian. When fornicate, you're a Christian. When you smoke cigarettes, you're a Christian. That's what Christians do! The Christian white race!

When we look at the ACTUAL FACTS board, under Christianity we find "Slavery, Sufferring and Death".

Under Islam you see "Freedom, Justice and Equality". That's what you get when you accept Islam.

Slavery, suffering and death is what you get when you accept Christianity.

TO THE BLACKMAN IN AMERICA, under the heading, "The Truth of the Guilty Made Known", Messenger Elijah Muhammad wrote, *"What can the guilty say when the truth of their guilt is made known. I have been teaching for over 35 years what Almighty Allah (God) has revealed to me of the truth of this subject. The origin of sin, the origin of murder, the origin of lying are deceptions originated with the creators of evil and injustice, the white race."* So all of that was

is called: The ACTUAL FACTS Board.

The first thing we want to know is: What does Actual Facts mean?

According to vocabulary.com Dictionary, "If you describe something that's actual, it really exists or is true. You might excitedly tell your friends that you saw an actual bald eagle land on your mailbox. Use the adjective actual when you want to emphasize that something is certain or confirmed, especially when it's different from what you expect."

So these are ACTUAL FACTS about the Devil and ACTUAL FACTS about The Blackman.

So what does fact mean? It says, "A fact is a thing that is known to be consistent with objective reality and can be proven to be true with evidence." Now "objective reality", because we're not used to "objective reality".

Objective means "regards the nature of reality independent of our opinions about it." So fact has nothing to do with your opinion. So this ACTUAL FACTS Board is ACTUAL FACTS about the Blackman and ACTUAL FACTS about the whiteman. And it's something that you wouldn't normally expect to be said about the Blackman or the whiteman.

The ACTUAL FACTS board is broken down into two categories. In the middle is the question: "WHICH ONE WILL SURVIVE THE WAR OF ARMAGEDDON?" Which ONE? The world is divide into two camps. It's only two: Islam and Christianity.

In order to give you an understanding of these two categories, we want to start with an article that was written in the December 19, 1956 Pittsburgh

Before you accept The Teachings of The Messenger, you are in the grave of ignorance.

It's only two camps: Islam and Christianity; Black people, who are Muslim (righteous by Nature) and the Christian white race of devils (evil by Nature).

Islam is not a religion. Islam is the Nature of the Blackman. We refer to it AS a religion because people get caught up in religious philosophy and religious thought. They say, "I'm a Christian", "I'm a Jew". "I'm a Buddhist". So since our Nature is righteousness and it is our Nature to submit to the Will of Allah (God), if we're going to have a religion, Islam is our religion, because it's our Nature.

Under Islam you see "Freedom, Justice and Equality". That's what you get when you accept Islam.

Slavery, suffering and death is what you get when you accept Christianity.

In his book, THE MESSAGE TO THE BLACKMAN IN AMERICA, under the heading, "The Truth of the Guilty Made Known", Messenger Elijah Muhammad wrote, *"What can the guilty say when the truth of their guilt is made known. I have been teaching for over 35 years what Almighty Allah (God) has revealed to me of the truth of this subject. The origin of sin, the origin of murder, the origin of lying are deceptions originated with the creators of evil and injustice, the white race."* So all of that was created by the white man.

This is a close up picture of the one shown in the ACTUAL FACTS Board in the Temple in Detroit, MI

This is an ACTUAL FACT! Something that you would not be expecting to hear. You wouldn't be expecting to hear that all of the evil and sin in the world was caused by the white man. But that's an ACTUAL FACT.

We see these Christians standing here with these brothers hanging from trees. That's what they are supposed to do! They're Christians! That's what Christians do! And that's why we have this picture hanging up in every Temple maintained by Followers of Messenger Elijah Muhammad. To show you all these Christians, doing what they do best.

A lot of times we get it confused when we see these old school pictures of the devil. We think, "Aww, that was back then". So we're going to show you some of todays Christians.

This right here is an article that

New Believers Tricked into false worship

DETROIT, Mich.— In the name of Allah who came in the person of Master Fard Muhammad, to whom all praises is due I forever thank Allah for His last Messenger the Most Honorable Elijah Muhammad (peace be upon him).

As-Salaam-Alaikum!

I had a young brother (new convert to Islam) say to me that "The Minister" told him that he talked to Messenger Elijah Muhammad on the "Mother Ship". My heart went out to this poor young brother, and others like him, who really believe such teachings out of their love and trust of "The Minister" who told them this lie.

I said to this brother, and I say to all of you in this condition: The next time "The Minister" says that to you, tell him to prove it. I said, "Brother you were told one of the biggest lies that ever was told".

I know how it goes. I've seen it all before. A lot of times we know, deep down in our hearts (minds), the truth of a thing, but out of love, respect, and maybe even trust of a person, you accept what they say without question, because you don't want to offend that person, by questioning him.

So even though your common sense One whom we are representing to you: The Great Mahdi; the Restorer of the Kingdom of Peace on the Earth."

Then the Messenger writes on page 96, "Allah (God) in the Person of Master Fard Muhammad, praise to Him forever, The Great Mahdi and the Messiah that the world has been expecting to come for the last two thousand years, has come and is going about His work as has been predicted He would do."

"The Minister" has our poor black people waiting for Messenger Elijah Muhammad to return (physically), when he knows that The Messenger died in 1975.

I thought about what the advantages and disadvantages could be for a person to believe that they will one day meet a physically dead person again, in the flesh?

The Christians, who have been waiting for the return of Jesus for the last 2,000 years is a good case to study on this subject. One might think that the advantage is hope. But what good is false hope, especially when we KNOW it is a false hope.

Now, take the followers of Messenger Elijah Muhammad, who accept what Messenger Elijah Muhammad taught on page 152 of Our Savior Has Arrived that, "We should be intelligent enough to believe in that which can be or has been proven true...There is no proof that there was or ever shall be a time Messenger Elijah Muhammad, which "The Minister" attended, he is still able to tell you, like the white man told our people 400 years ago, that he rose from the dead, ascended up to the heavens (Mother Plane), as the Exalted Christ, and that he ("The Minister") can talk with him from time to time. And you take it and swallow it, hook, line and sinker. No questions.

The Christians make Jesus the equal to God. Now here comes "The Minister" to put Messenger Elijah Muhammad in God's place as "The Exalted Christ". But on page 153 of Our Savior Has Arrived, Messenger Elijah Muhammad wrote, "Jesus did not make Himself the equal of God..." And I say, Messenger Elijah Muhammad did not make Himself the equal of Allah.

The Messenger wrote on page 152, "Making the Son and Holy Ghost the equal with the Father is absolutely sinful".

The truth is plain and clear. No need for confusion, whatsoever.

Messenger Elijah Muhammad wrote, "We cannot find anything to give Jesus as a title but a "prophet: and He did prophesy".

Messenger Elijah Muhammad said in a 1973 interview with Mr. Kupsinet. "I don't want you to look at me as nothing but a Messenger, to tell you what someone said to me."

The devil got away with his lie until Allah, raised up a Messenger to tell us the Truth. "The Minister" got away with his lie until the MESSENGER'S FOLLOWERS stood up to tell you the truth, as taught by Messenger Elijah Muhammad (may the peace and blessings of Allah forever be upon him).

So even though your common sense tells you that he is lying, you don't say anything you just go on like a fool.

These new brothers and sisters are in the same condition as our people, who more than 400 years ago, were tricked into believing that Jesus left the earth, after his death, on a cloud, 2,000 years ago, and would one day return.

"The Minister" and his poor blind followers, now refer to Messenger Elijah Muhammad as "The Exalted Christ". Why? Messenger Elijah Muhammad never referred to himself as The Christ.

As a matter of fact, The Messenger made it clear to us on page 50 of Our Savior Has Arrived, Who The Christ actually is. The Messenger wrote: "Who is Christ? They say, 'Jesus Christ.' What Jesus Christ? Jesus wasn't even a Christ back then 2,000 years ago. According to the meanings of 'Christ' that name means One coming in the Last Day or Crusher —He Crushes the wicked: Christ, the Crusher. Jesus didn't do that. This is the Mahdi who will do that today, the Muhammad to return (physically), when he knows that The Messenger died in 1975.

I thought about what the advantages and disadvantages could be for a person to believe that they will one day meet a physically dead person again, in the flesh?

The Christians, who have been waiting for the return of Jesus for the last 2,000 years is a good case to study on this subject. One might think that the advantage is hope. But what good is false hope, especially when we KNOW it is a false hope.

Messenger Elijah Muhammad taught that the account of the "Resurrection of the dead" in the Bible was symbolic of "Making the Truth known to a MENTALLY DEAD people."

I say about "The Minister" what Messenger Elijah Muhammad said about the white man on pages 31 &.32 of Our Savior Has Arrived, "I think the white man is pretty smart, He puts you in falsehood and fixes it so that you cannot condemn him. You ask him, "Where is that God? He says,"Look up.' "Where is that heaven? He says, "Look up.' I say he is a very smart man to fool people by the hundreds and millions and whole nations and races. They don't question, They bow their heads and say, "Yes sir', and go on with nothing..."

Though you know that Messenger Elijah Muhammad was sick in the hospital before he passed away in 1975, Though you know that funeral services were held in Memory of Muhammad in God's place as "The Exalted Christ". But on page 153 of Our Savior Has Arrived, Messenger Elijah Muhammad wrote, "Jesus did not make Himself the equal of God..." And I say, Messenger Elijah "I don't want you to look at me as nothing but a Messenger, to tell you what someone said to me."

The devil got away with his lie until Allah, raised up a Messenger to tell with his lie until the MESSENGER'S FOLLOWERS stood up to tell you the truth, as taught by Messenger Elijah Muhammad (may the peace and blessings of Allah forever be upon him).

If today a Moses were in your midst and he said, "The God of your fathers has sent me" and "the Government of America has deceived you as to the knowledge of God and has you indirectly worshiping themselves,"...your reply would be the same as the one given to Moses? That is right. You are asking me that."

Moses was able to show his people the "Promised Land" before he died. But his people, because of their disobedience, were forced to "wander in the wilderness" for forty years before they could begin to build a Nation based on Moses' teachings.

The Messenger to the Black man and woman in America, The Most Honorable Elijah Muhammad died February 25, 1975. We are just restarting the work that Messenger Elijah Muhammad started, before The hypocrites (Wallace aka Warith, Louis and Cassius) helped to dismantle after Messenger Elijah Muhammad died.

This new world does not include white people nor their ways and ideas: No lying. No Cheating. No Stealing. No homosexuality. No

Farrakhan and "Father" Pfleger holding hands

carrying weapons. No fornication. No adultery. Nothing evil.

Only righteousness is accepted. You must clean up to enter this new world. There are only a handful of us, at the date of this writing, that are working to qualify ourselves for citizenship in the REAL Nation of Islam.

The so-called "Nation of Islam", under Louis Farrakhan is ABSOLUTELY NOT the Teachings of Messenger Elijah Muhammad.

During Moses' time, his opponent was Korah. Messenger Elijah Muhammad wrote in Message To The Blackman in America, "It took the destruction of the people of Korah by Almighty God to make Israel understand that it was God who had appointed Moses to lead them and that self -made leaders such as Korah would not work in the way of delivering Israel another country."

The Messenger said, "Because Allah had chosen Moses to act as a guide for Israel, and all other self-made leaders would be failures. He sent poisonous and fiery serpents against them to bite and kill those who rebelled. So this is a warning and a sign for us today.."

Louis Farrakhan has proven himself to be the Modern Day Korah. " One of his "poisonous and fiery serpents' is the white Catholic priest , "Father Pfleger". Farrakhan has fallen in love with this devil.

In October, 2019, at his public

HOW NOT TO EAT PORK

How To Survive When Visiting Friends and Relatives Who Eat Pork

By Sister Shahrazad Ali

Excerpt reprinted from the Book, How Not To Eat Pork

No matter how hard you try to prevent it, there will arise those unavoidable occasions when you will wind up at a friend or relative's house during mealtime. This is a very sensitive situation.

A non-hog-eater should not be rude or uncivilized, but at the same time, one cannot compromise on the principles of correct diet by eating pork in order not to offend someone.

No matter how much you love your family and friends and do not want to hurt their feelings, the rejection of pork has to have first consideration and top billing.

You can start by trying not to ever be present. When this fails, (as it inevitably will), if you have the funds try inviting everyone out to dinner, or offer to go after a bucket

might decide it's safe enough to use their cooking and eating utensils. Otherwise, paper plates work fine.

I once visited my cousin and her husband for a weekend-stay a few years ago. They are both hog-eaters and I anticipated problems in handling the eating arrangements.

I certainly appreciated their hospitality and wanted very much to spend some time with her but she was caught between a rock and a hard pig, because she didn't know how to inform her husband that I would rather they didn't cook or eat any pork during my stay, versus telling me that she could not change her family's eating habits just for me...her cousin.

Far be it from her to realize that it was only one weekend--out of the remaining 51 available to them after I left. But they both refused to give up their pork eating for even

No matter how hard you try to prevent it, there will arise those unavoidable occasions when you will wind up at a friend or relative's house during mealtime. This is a very sensitive situation.

A non-hog-eater should not be rude or uncivilized, but at the same time, one cannot compromise on the principles of correct diet by eating pork in order not to offend someone.

No matter how much you love your family and friends and do not want to hurt their feelings, the rejection of pork has to have first consideration and top billing.

You can start by trying not to ever be present. When this fails, (as it inevitably will), if you have the funds try inviting everyone out to dinner, or offer to go after a bucket of chicken. If you go to the store yourself then you will be in charge of what you buy and what's in it.

If you're going to have to spend any extended length of time staying with hog-eaters they will not like the idea that you do not eat what they eat. They will protest and try to make you feel small, or try to shame you into joining them in their hog.

Don't fall for tears, threats or the cold shoulder. Remember that it's your body and your life. Stick to your guns and they will either comply with your wishes and respect you, or never invite you back again. Either result makes for a hog-free success for you.

I have visited places where I had to take my own pots and pans, because if you eat out of their dishes and pots which have been washed in their hog-greasy water, then you are defeating your purpose.

If they have a good dish-washer, with very hot water, then you work fine.

I once visited my cousin and her husband for a weekend-stay a few years ago. They are both hog-eaters and I anticipated problems in handling the eating arrangements.

I certainly appreciated their hospitality and wanted very much to spend some time with her but she was caught between a rock and a hard pig, because she didn't know how to inform her husband that I would rather they didn't cook or eat any pork during my stay, versus telling me that she could not change her family's eating habits just for me...her cousin.

Far be it from her to realize that it was only one weekend--out of the remaining 51 available to them after I left. But they both refused to give up their pork eating for even one weekend. So strong was their allegiance and addiction to eating pork.

Not wanting to create any discord between she and her husband, I spent the weekend in a clean atmosphere at a friends house who did not eat pork.

This was a very difficult choice for me to make. It always will be when you have to choose between a loved one and a pig-free-surrounding. But always chose the pig-free surrounding...

Don't get angry with your family or friends but refuse to let them trick or shame you into eating pork after you've stopped...

This is a terrible situation, allowing yourself to be manipulated by hog-eaters who have a natual disdain and disregard for anyone who tries to give up eating pork.

Any so-called "friend" who tries to force you into eating pork when they know you have given it up is not a "friend" anyway.

printed in "The Daily Mail" on December 18, 2019. It's titled, "Sex Trafficing Victim, 19, Faces A Life Sentence For Killing Her Abuser". The article says,

"Chrystul Kizer met Randy Volar in 2016 when she was 16 and he was 33. Authorities say she was one of about a dozen victims Volar sexually abused and filmed without their consent."

So these white Christians know she was 16 and this devil was 33, when he first started abusing her. Now she's facing life in prison for killing this devil. That's Christianity! No Justice for the Blackman! Only Slavery, Suffering and Death!

The article goes on. "On the night of June 5, 2018, Chrystul shot Volar in the head twice at his home in Kenosha, Wisconsin, before setting his body on fire and fleeing the scene in his BMW. Police located the vehicle hours later in Milwaukee and linked it to Chrystul, who confessed to killing him when questioned by police. Four months earlier, Volar had been arrested on charges of child enticement, using a computer to facilitate a child sex crime, and second-degree sexual assault of a child. Photo and video evidence found at his home indicated that Chrystul was one of his victims."

So they had arrested this devil four months before this, knowing that this sister is one of this devil's victims.

The article goes on to say, "Volar was inexplicably released from jail the day after his arrest, without bail, and remained free until the night Chrystul shot him."

So you, Blackman, say, "Ok, I'm going to let THE LAW handle it. I'm not going to defend myself. I'm going to let the Law handle it. Now the police have the devil in custody with photo and video evidence showing him abusing me, so they're going to handle it. It's the Law!" But they let the devil go THE NEXT DAY!

Then it says, "District Attorney Michael Graveley, whose office knew of the evidence against Volar but held off on prosecuting him, charged Chrystul with first-degree intentional homicide and homicide.

So the prosecutor withheld evidence for this devil so he can go free. Then the same prosecutor charged the sister with first-degree murder. The same Christian. The same devil. ACTUAL FACTS!

They are just as much devil today as they have always been. And that's why we call the white man the Christian white race.

Liars are Christians! Alcohol drinkers are Christians! Fornicators are Christians! So that's why, when you come over to Islam, you are given six months to divest yourself of the devil's habits. You can't bring that Christianity into Islam. All Praise is Due to Allah!

For what? Why would you want to bring Christianity into Islam? You see you don't get no justice in Christianity. You see how the Christians do you.

That sister is 19 years old. She was abused by this devil since she was 16 and they have video tapes showing how he abused, not only her, but at least 11 other young girls.

So what was she supposed to do? Sit there and continue to be abused?

No! In Islam she would not have been wrong to defend herself. It's your nature to defend yourself! That's Islam! That's your nature! But in Christianity, the Blackman ain't supposed to defend his self.

The brothers hanging on trees didn't stand a chance with the Christians. Regardless to what they did, or what the Christians SAID they did.

Back then AND TODAY they would just pick up a brother walking down the street (Any brother) and say, "He raped her".

Back then, they would take him to jail and leave the cell door open so the lynch mob could come and get him. That's what they call them, the lynch mob, coming to get the Black man. Today they open the door for the White Christian devil to go free and lock up his victim. That's Christians! Slavery, Suffering and Death! ACTUAL FACTS!

Actual Facts have to do with evidence. Actual Facts have to do with reality. Objective reality! It ain't got nothing to do with your opinion. So when we're talking about this devil we are talking

The Conflict and Consequences of Interracial Adoptions

As-salaam-alaikum family.

Back in 1972 the National Association of Black Social Workers announced that they were collectively against cross-racial adoptions, i.e., Black children being adopted/placed with Caucasian/white parents mainly. Their reasoning was that it was "cultural genocide" and robbed the Black child of its identity. Consequently as social integration took hold in America the Black Social Workers were denounced as racists and inconsiderate due to the hundreds of thousands of African-American children languishing in adoption agencies and foster care. Association of Black Social Workers announced that they were collectively against cross-racial adoptions, i.e., Black children being adopted/placed with Caucasian/white parents mainly. Their reasoning was that it was "cultural genocide" and robbed the Black child of its identity. Consequently as social integration took hold in America the Black Social Workers were denounced as racists and inconsiderate due to the hundreds of thousands of African-American children languishing in adoption agencies and foster care. They ultimately by the 1990's relinquished their stand and agreed that it would be better for Black parent-less children to be in any home that provided them with love and warmth of a family than wilt alone in an adoption cell. Thus the transracial/interracial adoptions began. Another integration mistake.

Recently a 32 year old Black unmarried social worker, who has dreads down to his waist, legally adopted three (3) young white boys. He said he did it to "keep the family together."

In North Carolina a Black couple with three (3) children of their own, adopted a little 3 ½ year old white toddler. They report "he is so full of love," and the whole family adores him.

Currently there are nearly half a million variations of Black children and youth listed by adoption agencies nationwide. Family and Children Service agencies say over 40% of all adoptions today are transracial (whites adopting Blacks). And nowadays Blacks are adopting white children too. Something that heretofore was illegal and unheard of.

Additionally our little helpless Black children are being offered to and made available to white gay couples – mostly men. They are grabbing our children and treating them like new exotic pets.

Why are we allowing this to go untalked about while we carry on useless conversations on talk radio about the elections?

This year the enemy has designed new toys offered to our children to promote their filthy ideas and infect our vulnerable little ones with their unnatural sex practices.

Some of this year's toy dolls are "transgender" or "gender neutral" with boys dressed like girls and girls attired like boys. Demand a recall and boycott any store that carries these type of "toys."

Homosexuality is already being taught to our children starting in preschool to cause them confusion about their identity. Some of us are addressing these issues instead of going along to get along. We are too tolerant of their homosexual suggestions to our youth. Don't purchase these "toys" for your children.

We should be highly concerned instead of going along to get along.

Remember what we know about white people and their weird sex and freak desires historically exhibited in their private affairs. They make up these wicked toys and gun games.

We ought not to ever want our little girls and boys to be left alone with these evildoers. We don't know what goes on in the deep of night in the dark when no one is watching. We don't know what terrors our little babies are suffering at the hands of these brutal beasts with no shield from their ghastly practices protected under the guise of "adoption."

They don't love us, and they don't love our children. Abuse of many of these children is reported worldwide. They are used for sex and household slaves and often beaten and starved.

We, the so-call negroes in America have already been robbed of our true history, first by our illiterate parents and later by our mis-education in the public school system which we are forced to attend.

Multitudes of Blacks have re-educated themselves and now know a great deal about how our open enemies enslaved us and contributed 100% to us being in the pitiful condition we are in today.

We were systematically taught to hate each other and only love and forgive them.

Some of us dismiss the cruel actual facts of our history, ignore their influence on our current behavior –and- refuse to see how these repetitive back-in-the-day, self-hate teachings, are still in us today. This is what allows us to permit transracial adoptions and ignore what it's doing to our children. As usual we want to copy the enemy in every evil idea they teach and show. We have become addicted to unrighteousness and willingly follow and love the devil.

DID YOU KNOW?

Over 40 percent of adopted children are adopted by parents of a different race, according to a study published by the Institute for Family Studies.

A poll, conducted in 2000, found that 72% of white males and 84% of Black women are against transracial adoption

White women make up 77 % of adoptive mothers in the United States, while only 39% of adoptive children are white. Hispanic women were the second largest segment of adoptive mothers (9%), Black women, at 6%, made up the third largest portion of adoptive mothers

TEACHINGS FROM THE HOLY QURAN

18:50 And when We said to the angels; Make submission to Adam, they submitted except Iblis. He was of the jinn, so he transgressed the commandment of his Lord. Will you then take him and his offspring for friends rather than Me, and they are your enemies? Evil is the exchange for the unjust.

18:51 I made them not to witness the creation of the heavens and the earth, nor their own creation. Nor could I take those who mislead for aiders.

The Significance of Prayer

By
Bro. Mutakabbir Ali

NEW JERSEY--In the name of Allah, the Beneficent, the Merciful. I bear witness that there is no God but Allah, who came in the person of Master Fard Muhammad, and I bear witness that the Hon. Elijah Muhammad is His last and greatest Messenger, peace and blessings of Allah forever be upon him.

As Salaam Alaikum

We cannot emphasize enough the importance and significance of prayer, as taught by the Hon. Elijah Muhammad and throughout the scriptures. Prayer is as important as food and drink; no follower of Allah and the Messenger can survive without it.

"O you who believe, remember Allah with much remembrance. And glorify Him morning and evening. He it is who sends blessings on you, and so do His angels, that He may bring you forth out of darkness into light. And He is ever Merciful to the believers." (Holy Quran chapter 33 verses 41-43)

The early morning prayer that is referred to as Fard or Fajr prayer in Arabic or the Dawn prayer in English are prayers that strengthens and protects the believer from the evils of Satan.

The Holy Quran chapter 73, directs attention to praying in early hours of the night, preferably if awakened after 12 midnight, or between 2:30 am to 5:00 am.

"The rising by night is surely the firmest way to tread and most effective in speech." (Holy Quran chapter 73 verse 6)

The scholar, Maulana Muhammad Ali, explains *"The firmest way to tread and most effective in speech," is because of the devotee, "... the inviter to truth, when the world around him is asleep and all images of disturbances are removed. The heart is strengthened with a Divine force through his lengthened devotion in the still of the night, and his word therefore carries the Divine force with it and enters the hearts of those who listen to him. Thus the night devotion, we are told, gives a man the strength to do the greatest deeds and makes him perfect, giving him at the same time strength to make others perfect because his words, coming*

As the Messenger continues in Message to the Blackman, a section entitled Prayer in Islam, I quote: "Surely the best way to strive to be upright in a sinful world is to pray continuously to the One True God, whose proper name is Allah, for guidance. As we are generally sinful and easily yield to temptations, it is only fitting to keep up prayer."

Remember, "Allah, the One True God, has blessed us with the universe. A sun to shine and brighten up the heavens, giving light for us to see; warmth enabling us to live and causing vegetation to grow and all life to exist. We reside on the planet through His will, so why should we not pray and continuously thank Him for this privilege?"

We thank Allah for coming to us and finding one amongst us, The Honorable Elijah Muhammad, who dedicated his life to saving us, the Blackman and Woman of North America, from the hell fire that is now kindling for the Caucasian or white man, as he is frequently called.

America has become a habitation of real (white) devils, and pseudo devils (black, brown, red and yellow).

How did these aboriginal people become so wicked and devilish?

They have been seduced with tricks and lies of the real devil, The Caucasian white man, who is the master of devilishment. He has deceived the entire World of people with false promises.

He told the Blackman, if you come to the new World, I will give you more gold for your labor.

Let's bring it up to date. The Caucasian was made with devilish intent to be destructive and rebellious against the Lord of Creation, Allah.

His life-style of abortion, murder, lying, deceitfulness, drug-distribution, abusing children, the breaking up of families beastiality, human-trafficking, pornography fornication, homosexuality, and transgender operations, are all made fair-seeming.

He makes it appealing to the eyes. The brain receives it and processes it. The heart gets to beating with it. Everywhere he goes, he introduces his filth.

You may say, "Well not all are the same," Time will tell. All snakes are snakes. Some are not as poisonous as others. But, you play with snakes long enough, one is going to bite you. That's his nature.

They speak charming. Some call it "whispering sweet nothings", which are lies.

This is why the Quran tells us seek refuge in Allah from the devil who whispers into the hearts of men from amongst the jinn) surah 113- 114 verse 1-5.

This is real. Not spookism. Here is a man that will come into another man's country and destabilizes their way of life then use his media to make it look as though the people are dissatisfied will their own leadership.

The devil, in most cases, will set up a front man and use him as a puppet to control the people. Then corruption starts. Injustice is done to the people, Then, rebellion starts.

Finally the government "strikes back", The people begin migrating to other countries that can't accommodate them.

living in tents and eating food with no nutrious value.

So, the result is degradation and humiliation.

Or they are forced to go back to where they came from and be a beggar, if you have the endurance and resources to make it back to your country.

Revelation 17:16 shows Babylon as the prostitute, desolate and naked.

The Messenger of Allah, the Hon. Elijah Muhammad taught, ... "A Muslim must say his prayers. Let us give praises to our God and submit ourselves to the Lord of the worlds and learn how to pray the right prayers in the right manner. Let us serve the One true God, whose proper name is Allah, in the right state.

My Lord make me to keep up prayer, and my offspring too. Our Lord, accept the prayer, our Lord grant Thy protection to me and to my parents and to the faithful on the day when the reckoning will be taken."

Messenger Elijah Muhammad's Teachings

Confusion, Confusion of People

By

Minister Michael Shabazz

GARY, Indiana--In the Name of Allah, Who Came In the Person of Master Fard Muhammad and In the Name of His Last and Greatest Messenger, The Most Honorable Elijah Muhammad, I Greet You In our Nations Greetings of Peace, Paradise and Contentment.

As-Salaam-Alaikum.

The title of this article is taken from the book, "The Fall of America" by Messenger Elijah Muhammad.

On page 105 of this chapter, Confusion, Confusion of People, the Messenger states, *"The master must give up his slave and the slave must give up his master, regardless of his desire to remain with his master. It is the purpose of God, Himself to separate the two so that he can give the slave justice and equal chance for survival as the slave master has been exercising power over the slave. America is being torn to pieces politically as Pharaoh's political party was in the days when Jehovah went after the freedom of Israel."*

The problem with the black man and women in America is they want to forget their complete history of how they were brought to America in 1555 and stripped of their names, language, culture, way of life and destroyed physically, mentally and spiritually from 1555 to 1865.

They don't want to think about how they, the slaves worked from sun up until sun down, never received a penny and were told by the government of America they had a mental problem if they ran away from slavery.

From 1865 until today, black people have had selective amnesia when it comes to white people killing, maiming and terrorizing them.

From the Department of Supreme Wisdom Messenger Elijah Muhammad stated, *"The Wise Man is the one who has made a careful study of Past events of Ancient and Modern History. The knowledge of the Future is Judged by the Knowledge of the Past."*

Again the problem with the black man and woman in America is they can't see the History of America's past repeating itself today because they don't have a complete knowledge of the devil's past history nor their own.

In 1865, Andrew Johnson ascended to the presidency in the aftermath of Abraham Lincoln's assassination and embarked on a perverse campaign to roll back the Union's achievements during the Civil War.

Racist mobs marauded unchecked through the south killing so-called African-Americans.

Factions debated the terms of readmission for states that had seceded.

Basic issues about citizenship, the right to vote and the direction of the country were up for grabs.

Among this turmoil, Johnson articulated a crabbed and unworkable vision for the future: "This is a country for white men", he declared, "and by God as long as I am president it shall be a government for white men."

Most fatefully Johnson, a Tennessee Democrat, who had ran on the National Union ticket with the Republican Lincoln, would veto important pieces of Reconstruction legislation passed by the Republican Congress.

When Congress overrode his vetoes, he refused to execute the laws.

Eventually congressional Republicans bought-and-failed to remove the president from office.

Now if the Republicans couldn't get Andrew Johnson, a Democrat, impeached in 1865, for allowing white mobs to kill so-called African Americans, what makes black people today think Democrats can impeach and remove Donald Trump from office.

Most black people understand "Make America Great Again" means white people on top and black people on the bottom. But Black people don't want to believe after 154 years both parties have deceived them.

Messenger Elijah Muhammad has stated on page 36 in The Fall of America, *"How much good have the two parties (Republicans and Democrat) done for us for the last century in the way of freedom, justice and equality? Regardless of*

Joe Biden, president Obama's Vice President is now running for President and is one of the voices calling for impeachment of President Trump.

Donald Trump and Joe Biden are no different from any of the other presidents of the past, who have been bought forward for impeachment by Congress.

There have been two other presidents, one democrat and one republican, bought for impeachment by congress, besides the two I have mentioned in this article.

Hunter Biden, the son of former Vice President Joe Biden, made a little over $83,000 a month for his work while serving on the board of the Ukrainian energy company Burisma, according to payment records that two former Ukrainian law enforcement officials told Reuters. WARNING

Don't shorten 2020

The National Association of Consumer Advocates, advises consumers to break the habit of abbreviating the year 2020 (writing just 20 instead of 2020) on official forms and documents.

Those numbers can be easily manipulated, leaving people vulnerable to fraud.

Scammers could change the two-digit date to any past or future date that suits them.

For example a document dated 1/7/20 can easily be changed to 1/7/2021 or 1/7/2019.

Law enforcement agencies around the country warn: "When you write a date on a document, don't shorthand the year 2020 to just '20'. Write the whole thing. It's only two more numbers."

"I beheld, and, lo, in the midst of the throne and of the four beast, and in the midst of the elders, stood a lamb as it had been slain, having seven heads and seven horns and seven eyes, which are the seven spirits of God sent forth into all the earth." Rev. 5:6 7.

"And he came and took the book out of the right hand of Him that sat on the throne. And when he had taken the book, the four beast and the four and twenty elders fell down before the lamb, having every one of them harps, and golden vials full of odors, which are the prayers of the saints. And they sung a new song saying, Thou art worthy to take the book, and to open the seals thereof: for thou were slain, and hast redeemed to God by thou blood out of every kindred, and tongue, and people, and nation". Rev. 7:9

We were awakened and taught the knowledge of God by him, and now look to Allah as King. Standing before the throne of God, which is peace and righteousness.

Looking to Allah, as King, removes the liar and the power that his kingdom held over us.

We have come through great tribulation with a great sustenance, and that is, a belief in One God, Allah.

The understanding that we have been given about our salvation and the judgement of this world, through the Honorable Elijah Muhammad, are the priceless jewels that have made us rich in these evil times, and that will sustain us through the perilous times that are upon us.

Truth takes away misunderstanding and confusion. Truth will knock out the brains of a liar.

The knowledge of self, God and the devil will set you free from the four hundred years of bondage.

And one of the elders answered, saying unto me, what are these which are arrayed in white robes? And whence came they? 14. And I said unto him, Sir, thou knowest. And he said to me, These are they that came out of great tribulation, and have washed their robes, and made them white in the blood of the Lamb. Therefore are they before the throne of God, and serve him 1 day and night in His temple: and He that sitteth on the throne shall dwell among them. Words of Messenger Elijah Muhammad
THE FALL OF AMERICA

HOW TO EAT TO LIVE

Add a few more days to your life

By Elijah Muhammad, Messenger of Allah

Reprinted from the August 1, 1969 Edition of Muhammad Speaks

The very words, "how to eat to live," is one of the great values in words for us.

In these words, we see and we are learning that what we put in us as food, at what time we eat the food, and what type of food we eat, is the key to our life and death.

We can also use these words, "how to eat to live," to spell how we destroy ourselves.

We must look at these words and teachings of how to eat to live in a more serious way.

This is why we suffer so much sickness and death. It is because we do not take how to eat to live in a more serious way.

There is no common sickness that cannot be healed by proper eating of the right foods. I, myself, know; having experience of both the right kind of foods and the wrong kind of foods.

Allah (God) has Taught me and I tried everything first, myself. I am a self-experienced man and an example of what Allah (God) Taught me.

I went for years without eating but one meal a day, and years with eating one meal every forty-eight (48) hours, and for a little while,

We suffer with many ailments in our bodies due to the fact that we are pouring into it food that should not be put in that body (which is the finest nature built machinery on Earth), and due to the fact that we are not waiting until the strength or power of the poison in the previous meal becomes weak, so that it will be harmless when the strength of a new meal is added. But, twenty-four (24) to forty-eight (48) hours will destroy the poison from the previous meal and make it harmless.

Eat when you have exhausted the previous meal, Allah (God) Taught me; then fill up and go until this is exhausted, and then eat another meal. It is logical.

As I keep repeating. We dig our own graves,and I may add here that we bring about our own death with our teeth.

Sugar diabetes can be controlled by eating the proper food in such a way that you will never know that you ever had it and you will never see any signs of it. But, you must not continue to pour in the body, power and strength of sugar from your meals that adds to the sugar spilling over in your body. Naturally, it is going to reach out for something or it is going to flood itself, after putting too much sugar and starch in the body.

But. some of us are so built upon eating what we want that we just cannot abstain from eating these starches and sweet foods. These things are nothing but friends to the sugar diabetic condition.

Stay away from it and you will live longer, for diabetes is an evil enemy. It is an enemy to both the flesh and bones of the body.

If you will stop eating foods such as sugar and starchy foods, I know you will do better. I have been self-experienced in everything, and I have been a victim of everything that you are a victim of, except cancer. I do not think that I have cancer; but as I mentioned in this article before, The Last Messenger is not immune to the sickness and complaints of the common people. He is also to suffer; but yet, as the Book says, the Pleasure of the Lord is with him and that in His Own Good time, He Will Heal all of us.

So, this is the way Allah (God) has taught me; to heal our sickness and prolong our lives with one meal a day. And whenever those of you who work in offices and do light work are able, you can eat one meal every forty-eight (48) hours; which would give you more days to your life.

Do not say, "I am already so old that I do not have much longer to live anyway." That is true, but if you want to add a few more days to this already distant age you have, you can add to your life by stopping right now from plunging into the grave, and you could add more days to your life.

We must look at these words and teachings of how to eat to live in a more serious way.

This is why we suffer so much sickness and death. It is because we do not take how to eat to live in a more serious way.

There is no common sickness that cannot be healed by proper eating of the right foods. I, myself, know; having experience of both the right kind of foods and the wrong kind of foods.

I went for years without eating but one meal a day, and years with eating one meal every forty-eight (48) hours, and for a little while, I was eating one meal every three days. So I know these teachings of Allah (God) are True.

Here of late, I have suffered many pains from venturing away from eating right and eating at the proper time. Venturing away from eating the way Allah (God) Taught me caused me discomfort, pains, and minor sickness.

I deliberately did this, in some instances, so that I will know what happens when you are not following the Teachings.

So, as it is written, in all their afflictions, he was afflicted (meaning the Messenger of God).

Eating the proper food once a day will keep us free of sickness for a long time; probably for years. This I know by self-experience.

By eating two or three meals a day, you are inviting some days of discomfort and illness to yourself. And, by eating food that does not belong to the body...You are making trouble for the body to digest such foods and drinks.

But, twenty-four (24) to forty-eight (48) hours will destroy the poison from the previous meal and make it harmless.

White Doctors Just Now Catching up to Messenger's Teaching on Eating To Live

A report in the New England Journal of Medicine, December 26, 2019 suggest that doctors prescribe what they call, "intermittent fasting", for patients at risk of chronic diseases including; diabetes, heart disease, and cancers and for early intervention in such conditions.

Messenger Elijah Muhammad prescribed long intervals between meals more than 40 years ago.

Most Americans have been taught all their lives to eat three meals a day plus snacks.

The author of the report Study author Mark Mattson, a professor of neuroscience at Johns Hopkins University, studied rats to reach the conclusion that "intermittent fasting" is healthy.

Messenger Elijah Muhammad, as mentioned in the above article, practiced this divine teaching from Allah (God) in The Person of Master Fard Muhammad, on himself for years, and so did his true followers.

Alternating between fasting and eating can improve cellular health, Mattson said, and some studies in animals and humans have linked the practice to longer lives, healthier hearts and improved cognition.

Mattson also reported that intermittent fasting is thought to improve insulin resistance, which can stabilize blood sugar levels.

Findings from a small 2018 study found that three men with type 2 diabetes, also known as adult-onset diabetes, were able to stop taking insulin after losing weight from intermittent fasting -- findings that clash with the widely-held belief that diabetes is incurable.

A previous study (that Mattson co-authored) showed the switch can increase resistance to stress by optimizing brain function and neuroplasticity, or the brain's ability to adapt to develop throughout one's life. ■

AMERICA BABYLON THE GR

By Messenger Elijah Muhammad

This article is a compilation of excerpts from the book "The Fall of America"

We can easily and truthfully liken the fall of America to the prophetic symbolical picture given in the (Bible) Revelation of John 18:2.

The name Babylon used there does not really say whether it is ancient Babylon or a picture of some future Babylon. 7

The description it gives is as follows: "And he (angel) cried mightily with a strong voice (with authority) saying, Babylon the great is fallen, is fallen and is become the habitation of devils, (Allah has declared the people to be a race of devils) and the hole of every foul spirit and a cage of every unclean and hateful bird."

The description here given to the Babylon by the prophets compares with the present history and people of America and their fall.

European people. And their first ruler (President Washington) was a fugitive from England. And the common, dissatisfied and lower grade of European people followed and boosted his authority. This filled and inhabited America with a very low class and low-based people.

And then this type of people went into Africa and purchased slaves from among our people who were also uneducated, most of them; but there were a few who were highly educated. All of these began to mix with the low-based, evil-minded, real citizens of the Western Hemisphere (whites).

And when America began to get strong in power, she opened her doors to the underprivileged (laborers) in overpopulated countries such as

some future Babylon. 7

The description here given to the Babylon by the prophets compares with the present history and people of America and their fall.

The picture shows the cause of her fall. Number one, she had become the habitation of devils, and being the habitation of devils makes her a haven for every people that love the works and doings of the devil.

Here the prophet refers to them, symbolically, as being a hole of every foul spirit, and a cage of every unclean and hateful bird.

People are referred to as birds, snakes, beasts, fish and other animals to tell or represent the characteristics of that person.

It is universally known that the very beginning of the American people was from the lower class of a very low class and low-based people.

And then this type of people went into Africa and purchased slaves from among our people who were also uneducated, most of them; but there were a few who were highly educated. All of these began to mix with the low-based, evil-minded, real citizens of the Western Hemisphere (whites).

And when America began to get strong in power, she opened her doors to the underprivileged (laborers) in overpopulated countries such as China, Japan, and in Europe to seek citizenship in America.

Birth Control Death Plan

Minister Al Muntaquin Ali

Minister Al Muntaquin Ali

PHILLY--According to Messenger Elijah Muhammad, the devil has a plan to Destroy our race. He comes at us in strange ways that we don't pick up on. The devil has knowledge of the time.

He is not asleep but keeps the blackman asleep, blind, deaf and dumb. In the words of Messenger Muhammad, The Blackman is Blind because he refuses to see the light of Truth sent through him by Allah, Master Fard Muhammad. He is dumb because he (the Blackman) refuses to open his ears and heart to the light which has clearly been shown to him. He is also full of fear that the devil put in him when he was a baby. This put fear in the blackman by torture, lynching, burning, raping and killing. Now, today, you are afraid to accept the very truth from the Mouth of Allah, Master Fard Muhammad.

Message To The Blackman, page 65 "Plan To Destroy our Race, Messenger Muhammad makes it plain that they have no love for the Blackman and woman. He also says, don't let them trick you.

It breaks my heart to see us make fools out of ourselves. Kissing them, calling them brother and sister. Just as Pharoah set out to kill Moses and the children of Israel, this American devil plans to in truth.

There are two different Fathers here. Therefore, The devil and the righteous can never be Brothers. All the Kissing in the world will not make them brothers. This conduct goes completely against the teaching of Messenger Elijah Muhammad.

Remember, the devil has placed rotten characters and stool pigeons among us to keep us divided. I truly feel a change in the air today though. I believe we have seen the end of this division and unity is on the way. All Praise is due to Allah!

All these lies and tricks have run their course and now our people

Just as Pharoah set out to kill Moses and the children of Israel, this American devil plans to destroy the Blackman and woman. As things get worse and worse for this devil, expect him to hate you more and more. He has always hated you, ever since the day he was made by his Father (Yakub), and his nature won't let him do anything else. Every chance he has to hurt you, he's going to do it.

What I find astounding is how a so-called Leader who claims to "represent" Messenger Elijah Muhammad can kiss these devils and call them brother after they have heard this Teaching. It makes me wonder if the crooks ever believed at all.

No Trinity please. How can three (3) be one (1). That's bad math. But to call the devil, Brother...testifies to outright deviation against The Messenger's Teachings.

All these lies and tricks have run their course and now our people only want the pure uncut teachings of Messenger Elijah Muhammad. Allah has made manifest all their hypocrisy and lies.

Let's find a way to work together. It's time for the Believers! Let's get building!

Don't lose sight that, as our leader and Teacher (The Most Honorable Elijah Muhammad) taught, There is a Birth Control Death Plan against us. Kissing and Hugging devils don't help us escape the death plan. In fact, it aids the devil in his plan to kill us.

Let us be clear here. Either you follow Messenger Elijah Muhammad or you don't. Many followers of the Lamb (Messenger Elijah Muhammad) have given their lives for this truth, physically and mentally. I thank each and every one of them for their Sacrifice.

The Actual Facts Board

Continued from page 7
about ACTUAL FACTS!

So we can go on with The Messenger's article. He says, "They were not made to love or respect any member of the darker nations. For they are, by nature, as Almighty Allah has taught me, incapable of loving even themselves." Another ACTUAL FACT. That's something that you wouldn't expect to hear about the devil. That he hates his self too. Let's look at an example.

This is a cigarette. It says, "There are 60 known cancer causing substances in tobacco." Now, since the white man hates us so much, you would understand why he would give US a cigarette to kill us off. But the white man don't even love his self, because he KNOWS it's 60 cancer causing chemicals in cigarettes and HE stills smokes them. He don't love his self!

These are the devils we have been following 400 years. They are the ones who have us all confused about loving OURSELVES, because they don't love THEMSELVES!

In a cigarette, it says, "These harmful chemicals include Nicotine, a powerful fast-acting and addictive drug which reaches your brain in seven seconds." So, as soon as you take a puff, seven seconds later that nicotine has already reached your brain. It says, "It increases heart rate and raises blood pressure. It says, It has carbon monoxide - a colourless poisonous gas found

in high concentrations in tabacco smoke. When you inhale it enters your bloodstream and interferes with the working of your heart and blood vessels."

I remember this devil, Jack Kervorkian. He used to do that "assisted suicide". They said it was illegal for this devil to do the assisted suicide, which he was trying to be merciful to the people who were suffering. But his Christian brothers said, "No, it's inhumane", but they will sell you a cigarette though. That's the devil! ACTUAL FACTS! He's a devil!

You can't win with the devil. You can't have assisted suicide after you smoked this cigarette and got lung cancer and you're suffering. You can't breathe. But you can smoke the cigarette with all these harmful chemicals in it. And he's smoking it too.

Here's some more chemicals in the cigarette: It has Carbon Monoxide, which is car exhaust. It has Cadmium, which is batteries. It has arsenic, which is rat poison. It has ammonia, which is toilet cleaner. It has radon which is radioactive gas. It has methane in it, which is sewer gas. Tar, used for road surfaces. It has acetone, which is nail varnish remover. It has nicotine, which is a pesticide. It has Methanol, which is rocket fuel. And it has Butane, which is lighter fluid. All in one little "cancer stick".

The white man has known, since he has been on the planet that he was made to be destroyed. He is nothing but the result of a large science experiment. Yacub was a Scientist. They are his experiment. Just to see what would happen if the world was ruled under wickedness. That's something when you read that! To learn that all of this hell we are catching is just because they wanted to see what would happen if the the world was ruled by wickedness. That's all it is! A science experiment by Yacub!

So The Messenger goes on, "They can not produce good. They are without the nature of good. Another ACTUAL FACT.

them up to our ears everyday.

They also show, in this diagram, other things that produce radiation. Not just the cell phones, but the cell phone towers, all wireless devices, your laptop, your AM radio, your TV, your microwave, and a radar. All of them produce radiation. Not only that, but this diagram show what happens when men put our cell phones in our pockets. It affects our sperm. Radiation. They say it damages DNA. This is the devil! ACTUAL FACTS!

They know this! They show you. Give you diagrams and show you exactly what goes on.

It would seem like since he hates us so much, he would just give them to us, but he uses cell phones too! The white man! Incapable of loving his own self!

He doesn't even have a defense for this. He uses cell phone just as much as we use them. He watches TV just as much as we do. He eats just as much bad food as we eat.

When he was forcing us to eat hog, he was eating it too. They just wanted, what they call living "high on the hog, (so-called better cuts of the pig like ham, pork chops and pork roast), but it's still hog. Still poison!

Then they tell us, "processed meat causes cancer". The definition for processed meat, they say, is any meat that they tamper with to improve on the taste or prolong shelf life.

So just about all meat is processed meat. Because if you get

So The Messenger goes on, "They can not produce good. They are without the nature of good. Another ACTUAL FACT.

Let's look at some more stuff they produce that is no good. Dr. Ashok Agarwal, a research scientist and professor, conducted a study on "Cell Phones and Male Infertility" and reported, in 2007, that cell phones cause infertility. They have diagrams showing what happens when you use a cell phone, because cell phones produce radiation. Now we all use cell phones. Though we now know they produce radiation, we put too! The white man! Incapable of loving his own self!

So just about all meat is processed meat. Because if you get a smoked turkey, that's processed meat. Any kind of seasoning they put on it, that's processed meat. When I Googled "foods that cause cancer", I was suprised to find out that Salmon was one of them.

Who would have thought that salmon would cause cancer? Now, they let you know that the best Salmon to get is the Wild Caught Salmon, But, they turn right around and tell you that 60% of

AMERICA THE GREAT HAS FALLEN

are breeding such filthy practice; the jail houses, prisons, and the federal penitentiaries are all breeding dens of homosexuals.

As the Prophet says in the 18th chapter; "She is a cage of every unclean and hateful bird." There are types of hateful birds. This is why a symbolical name is given. It means human beings. There are birds of prey and birds that are unclean such as crows, owls, buzzards and ravens who live and thrive off the carcass of others. And there are unclean people living and thriving off the unclean.

It is time that God intervenes to bring about an end of such people as the wicked of America. She offers the same filth to all of the civilized of the earth, and she hates you if you are against her way of life and will threaten you with death as the Sodomites did Lot and his followers. But I say to you as the 4th verse of Revelations, Chapter 18 says: You, that want to be a better people than this, "come out of her."

The so-called American Negroes are referred to here in the 4th verse as being God's people ("My people") Come out of her...that ye be not partakers of her sins and that ye receive not of her plagues."

This is a call to the American so-called Negroes to give up a doomed, wicked people that has destroyed them from being a people worthy of recognition, and who have now become lovers of their enemies and destroyers for a new world civilization. They do not have guidance for a new civilization, and in their madness they refuse to hear a teacher teaching of an educational system of a better civilization...the civilization of the Black man.

The wisdom of the educational system of the aboriginal Black Man of the earth has never been known to this world because the Black man was put to sleep in order to let this world (white man) try itself at ruling. Now the rule of this world has been found to be dissatisfying and the dissatisfaction is 100 per cent.

Allah (God) has come to take over and to guide another people into setting up a better educational system for the people of whom He Himself is the Head. And we all get guidance from Him, as Daniel said in his prophesy, "God will set up a kingdom and He will leave it into the hands of others, but He Himself will guide it." But first He must remove all the rubbish if this white man's world educational system. He discards America's educational system, as we discard rubbish to be burned up.

The black man who hears the teachings of Islam feels proud that he has been taught something that he has wished for all of his life. But the average Black man that hears does not accept it as he should. He accepts it in such a way that he can be criticized and mocked: for he wants to take a piece of it, as he has done in the past and he runs away with it claiming that he knows this. He will try to set up

The white man does the same to you, although you follow what the white man tells you to follow and you worship the white man.

Many times, I have reminded you that Rev. Martin Luther King was not trying to separate you from the enemy, but instead he was trying to unite you with the enemy. Rev. Martin Luther King was not seeking a home for you as Moses was seeking a home for Israel who was opposed in Egypt. In modern day America, I am seeking an independent home for you. Rev. Martin Luther King did not do this. Rev. Martin Luther King taught you to submit to the white man and to become one of them.

All of your life you have known that this is destruction - after so-called freedom. It is the same as the dog returning to his vomit. The Black man was vomited out of the white man and now goes back to the white man...

The white man is right when he says that you are free. You are free; but if you go back to him for him to put chains on you again, he will.

Malcolm fell out from us a hypocrite. He went and joined white people and worshiped them and he got what he preached for. Now the white man names colleges after Malcolm only to get you to join in the philosophy which he left behind; that white people are good.

Malcolm went to Mecca and saw white people. And instead of joining in with the Black Man, he joined in with the white man, although he was taught the white

to give you any honor and respect... only the devil whom you serve.

The devil sets enemies and hypocrites for you to worship in order to pull you away from me. He knows that you would be a fool to follow enemies and hypocrites. But that is to turn you away from your salvation which I am preaching.

You cannot prosper fighting against me, for Allah (God) is not with you; He is with Me. It does not matter how many devils you have with you, you could have a world full of devils, but that would not amount to anything.

It shows how anxious you are to get what the devil offers you for following his guidance.

Allah (God) came to put an end to the enemy devil and their power to rule. This you will learn.

I am not without power from Allah (God) by any means, regardless to whether everyone of you rejects following me. I mean the whole thirty million of you. That will not stop me or condemn me as being not able to lead you. You Black people in America are no more than a small family. We have a world of Black people that I can continue to teach, and they are anxious for me to come and teach them. After I teach you the truth, it is immaterial to me whether or not you believe and follow me.

Main allies abandon US over Iran Assassination

Messenger Elijah Muhammad warned of this in his book, The Fall of America. He said, "Divine prophecy is that America will suffer isolation from the nations of the earth."

The Messenger said, "her doom will come in one day -- death and mourning came in one day." And that "One day means one year."

United States President, Donald Trump, began 2020 by authorizing and then bragging about a deadly drone airstrike that murdered a top Iranian statesman, Qassem Soleimani, for no other reason than to divert media attention from

unrest against The Shah and The West, lead to the Iranian Revolution, which established the current Islamic Republic.

As if that wasn't enough, the white Christian West (including The United States, Britain, the Soviet Union, and France) bribed Iraq to fight Iran in a war that lasted for 8 years.

Hundreds of thousands of Iraqi and Iranian soldiers and civilians were killed in a war resulted in neither no changes. In Iran, the war is known as the Imposed War and the Holy Defense.

The Messenger warned, "The

This is a call to the American so-called Negroes to give up a doomed, wicked people that has destroyed them from being a people worthy of recognition, and who have now become lovers of their enemies and destroyers.

The 5th verse tells us that "Her sins have reached into heaven and God has remembered her iniquities and is ready to destroy her." Her destruction cometh quickly, according to the 8th verse, that plagues of death, mourning and famines which cometh in one day (one year) then after that she shall be destroyed by fire, utterly burned."

This is backed up by the words: "Strong is the Lord God who judge her." Here it gives us a knowledge that He who judges is well able with power, with wisdom, and with deliberate and careful maneuvering to make judgement against her.

Throughout America, her colleges, her universities and her teachers are in danger.

The students no longer want old world guidance. It is a new world that they want. But in their mad destruction of the old world they do not know how to prepare system for the people of whom He Himself is the Head. And we all get guidance from Him, as Daniel said in his prophesy, "God will set up a kingdom and He will leave it into the hands of others, but He Himself will guide it." He accepts it in such a way that he can be criticized and mocked: for he wants to take a piece of it, as he has done in the past and he runs away with it claiming that he knows this. He will try to set up something of his own from a few words of it. This throws the Black man behind. They do this through envy, jealousy, and proudness on the part of the person. This is the way the Black man of America is divided.

The devil knows that the Black man is proud and envious. The white man helps him to be this way so that the Black man will never get any place towards self, if the Black man takes such steps to divide himself up.

Look how the devil is teaching our people division now. The devil goes and gets everyone whom he thinks of for the black people to idolize them. Look at how he names streets after Rev. Martin Luther King and Malcolm because he was the devil's disciple. Rev. Martin Luther King was not the disciple of the Black man. He preached integration with white people and...then the white man killed him.

that this is destruction - after so-called freedom. It is the same as the dog returning to his vomit. The Black man was vomited out of the white man and now goes back to the white man...

Malcolm went to Mecca and saw white people. And instead of joining in with the Black Man, he joined in with the white man, although he was taught the white man's birth and death. He preached it as long as he did not turn enemy against me.

He turns enemy against me, for he wanted my place over the people and he thought that by going over the earth and making a mockery of me, he would do just that...get rid of me. But the very people of Mecca and Egypt and other places he went, they are with me today. Here, in the United States of America, today, I have more followers than I had before Malcolm said a word.

You cannot disgrace one whom Allah (God) has taken for His friend, for He has the power to keep your disgrace to a naught. The white man teaches you to worship Malcolm in order to lead you astray against me. You come around trying to argue with us. I do not give two cents for you following Malcolm if you want to follow him. You will get divine death and destruction with no one

United States President, Donald Trump, began 2020 by authorizing and then bragging about a deadly drone airstrike that murdered a top Iranian statesman, Qassem Soleimani, for no other reason than to divert media attention from his impeachment.

The airstrike, which was reportedly launched without consulting US allies, led to warning of disapproval from several European nations.

Among the first to react was the United Kingdom, historically the closest ally of the United States, who said, that a war with Iran 'is in none of our interests', while the United Nations called the act, "unlawful".

In 1953 the United Kingdom and the United States worked together to overthrow Iran's Islamic government in order to rule Iran under Western (White or Christian) political influence.

The UK and the US planted their own leader, poplularly known has "The Shah of Iran". A series of changes, known as the "White Revolution" was launched by the Shah including, so-called "increased women's rights."

Widespread dissatisfaction and unrest against The Shah and The West, lead to the Iranian Revolution, which established the current Islamic Republic.

As if that wasn't enough, the white Christian West (including The United States, Britain, the Soviet Union, and France) bribed Iraq to fight Iran in a war that lasted for 8 years.

Hundreds of thousands of Iraqi and Iranian soldiers and civilians were killed in a war resulted in neither no changes. In Iran, the war is known as the Imposed War and the Holy Defense.

The Messenger warned, "The beautiful and rich country of America, to which many people of Europe and Asia migrated, seeking refuge -- in this country, as the prophecy is now coming into fulfillment..."("...in that day and time everyone will begin to go away from America, instead of coming to America!")

As the Revelation (Bible) teaches us of the prophecy that "they will stand afar off and see the fire of her (America's) burning and for fear of it they will lift up their hands and their voices. They will lament for her!..In one hour (one day) it came to pass, here in the Western Hemisphere!"

Finally the Messenger says, "When ye shall see all these things, that you now see, know that it is here; We are living in the end! My Black people, I say fly to Allah (God) for refuge, and come, follow me. I may look weak, but, through me, you will find refuge in Allah."

The World Wants Black Leadership

audience, "Is the white man the devil?" Farrkhan then answered his own question, referring to Pleger, and said, "Not this one!".

He then, hugged and kissed the devil, calling the devil his brother.

Messenger Elijah Muhammad also mentions Korah during a National Radio Broadcast, titled WARNING TO THE HYPOCRITES, where he said, "And Korah, one of the proud opponets of Moses, who desired Moses' place and wanted Moses' place,..This wicked hypocrite went about mocking and saying things against Moses. And here he's mentioned as a warning to you, today, in the last days of this world."

During the same Radio Broadcast, The Messenger said, *"Allah holds out nothing for the hypocrite. according to the Holy Quran, but the path to hell. And the Holy Qur'an teaches that He appoints for hypocrites a companion of devils to keep them going astray so that they will meet the chastisement that they justly due."*

We must not be so starved for Black Leadership support those who are not sincere in their love for truth and righteousness.

The Messenger goes on to say, "*A good and true Muslim, according to the Holy Qur'an and the Teachings of Almighty God, Allah, to me will not take anything to do or show sympathy of love for a hypocrite, though they may be their own near of kin: their parents, their sisters, their brothers and their own children... Jesus taught his diciples and the world to even hate those that did not believe in Almighty God, Allah, and he as His Messenger. And to keep away from them and not even to take them for friends.The same goes for the Holy Qur'an. The Holy Qur'an teaches us against even befriending a disbeliever or hypocrite for they are the friends of the devil and not the friends of God, nor the Messenger, nor those who follow and believe the Messenger...This is true and is going on at this very minute."*

The Messenger warned Louis Farrakhan and all other hypocrites during this Radio Broadcast, *"This is the time that you should burst forth in your rage against the truth and the truth bearer, The Messenger of Allah, that God may make you an example to the world that he is with me, Elijah Muhammad, and that you are with the devil."*

The Messenger went on to say, *"God is just as able to destroy you by an earthquake, today, as He did Korah, who rose up to try to challenge Moses for the leadership with other hypocrites behind him... The Last Messenger must suffer the things that came into life of the Prophets before him because he is the Last and He closes the book of the Prophets because he brings the people face to face with God. And face to face with the advesary of God, the devil. That the people may know these two great actors, the Gods of Righteous and Evil. That they may choose their place or their side with one or the other."*

The Actual Facts Board

Continued from page 17

the salmon that sell in their stores is Farm Raised Salmon, where they give it all kinds of pesticides. ACTUAL FACTS! The white man is the devil! ACTUAL FACTS!

You think when we say, "The white man is the devil", we're making fun of the white man. We are not trying to make fun of him. It's ACTUAL FACTS! And that's why the ACTUAL FACTS board is sitting up in every Temple, where you find the followers of Messenger Elijah Muhammad's Teaching, for everybody to see and learn from.

So if you don't see this board in the Temple, LOOK OUT! They must NOT be teaching the Messenger's ACTUAL FACTS!

If they are not teaching from the ACTUAL FACTS board, they don't want you to know that the white man is the devil. They don't want you to know that white people are race of Christians! They don't want you to know that a liar is a Christian, that a hog-eater is a Christian. They don't want you to know the ACTUAL FACTS!

All of the Christian countries are white people's countries. When you look up homosexuality, white people's countries are promoting that. Chrisitianity!

You don't see the darker countries promoting "transgender".

White countries promote the filth and indecency, because that's Christianity. As Messenger Elijah Muhammad taught, "Homosexuality started in the church."

So the Messenger goes on to say, "*They can not love Allah and his religion, Islam, for it is against their nature to submit to Allah, The Lord of the Worlds. All manner of evil and corruption has come from the white race.*"

You can't teach a man to love his self if he was made, BY NATURE, to hate his self and others.

Black people hate ourselves because we were TAUGHT to hate ourself. We were in the hands of an enemy for 400 years. It's THEIR fault that we hate ourselves.

But whose fault is it that they hate themselves? It is their Nature! And that's an ACTUAL FACT!

So when you look at the stuff that is produced by the white man, even cars. You can Google cars. Type in "the health risk of cars".

You'll learn that the reason we have what they call, "Global Warming", (where it's hot when it's supposed to be cold and cold when it's supposed to be hot) is because not only do the cars produce carbon monoxide, but they talk about the production of a car.

To produce rubber, to produce the gas that goes it, to produce the paint, to produce the plastic, to produce all of the stuff needed to make a car, also destroys the atmosphere and the earth.

The whole world is worried about how long the earth will last if this devil continues to go in the way he has been. If he is just left alone to do things his way.

The Christian white race reports to the world, we are headed towards another "Ice Age". When they talk about the "Ice Age", they're talking about TOTAL DESTRUCTION!

So we have on the ACTUAL FACTS Board, "Which One Will Survive The War of Armageddon?"

Just by looking at Christianity, you KNOW it can't survive. It can't even survive if it's just left alone.

We see, now, what happens after the world is run by filth and indecency. We have enough of it! Now, Master Fard Muhammad has come FOR US! For THE BLACKMAN!

That's something that we need to know! God came IN PERSON for the Blackman, and the Blackman

Medical Profession routinely hides deaths and diseases caused by pork under different names

By
Sister Zakiyah Karim

The eating of pork has done more to boost the need for health care in the United States than all other factors put together.

The US pork processing industry earns $28 BILLION per year. Today, the cost of treating a heart attack with drugs to restore blood flow and surgery to repair clogged arteries is over $30,000 for a 45-year-old.

The two industries (pork and health care) parralell each other in economic growth. As more pork is consumed, the need for health care increases. So it's no wonder why the medical profession shrouds and protects "the other white meat" (PORK) as the real source of high blood pressure, arthritis, heart disease, liver and kidney disease, gall stones, and even the flu (to name a few).

According to a report published in 1973, titled, "Trichiniases in the U.S. Population, 1966-70: Prevalence and Epidemiologic Factors", Dr. W.J. Zimmerman reviewed the diaphragm muscle from multiple autopsies done in the U.S. in the late 1960"s, and reported that trichinosis was a typical finding as the cause of death.

Influenza (flu) is one of the 88% of infections in the United States were the result of ingesting Trichinella infected pork.

Many people have no symptoms to warn them of this, and when they do, they resemble symptoms of many other illnesses.

These worms are not noticed during meat inspections. And the worms are not killed by salting or smoking, cooking or medicating, because they have a built-in defense mechanism that protects them.

When threatening conditions arrive the pork worm forms a protective covering (cyst) around it. This cyst can protect the worm for many years. Messenger Elijah Muhammad taught his followers that after we stop eating pork, it takes at least seven years before we can rid ourselves of the pork worms.

The primary symptoms of trichnosis include muscle pain, headaches, fever and swelling in the extremities. These are all nonspecific symptoms that do not necessarily indicate any one disease, which allows doctors to avoid diagnosing the true disease -trichinosis.

Telling a patient that his problem is trichinosis would be like telling him or her, "you don't need my medicines and treatments, all you need to do is stop eating America in the mid- 1970s, and after scares of "Mad Cow Disease" dropped to 30%. Pork sales had a sharp decline in the 1970's during the lifetime of Messenger Elijah Muhamamd, but since has been increasing steadily.

The Pork Industry and greedy politicians paid off by the Pork Industry, along with scientists and doctors, who depend on people staying sick so they can make money, are working to combat the warnings of Muslims and Orthodox Jews against the eating of pork.

According to the Center for Responsive Politics, a non-partisan, non-profit research group based in Washington, D.C. that tracks money in politics and its effect on elections and public policy, reported that the Pork Producers Political Action Commitee donates millions of dollars to so-called "democrat and "republican" politicians in order to maintain government backing for them to continue to sell their deadly hog to American consumers. It's no wonder why the devil (white race) allowed a Black man to work in the Oval Office before a Jew. Even then, they wanted to make sure Obama was not a practicing Muslim, before he became President of the so-called United States. The trichina worm lives inside the small intestine, where it mates and reproduces. Once the eggs have been fertilized, the larvae travels through the bloodstream until it lodges itself in muscle tissue and form a tough cyst-like cocoon, that protects the worm from being destroyed by medicines you get when you go to the doctor for the aches and pains you feel as a result of the worms. The worms may live in the cyst for many years.

A massive infection can kill by reducing or stopping the action of the muscles. Remember the heart and diaphram are muscles. The diaphram is the muscle that helps us breathe A MICROSCOPIC VIEW pork worms encysted in muscle tissue.

He didn't come for no Arabs. He didn't come for the Chinese. He didn't come for nobody BUT THE BLACKMAN!

When God's Messenger wrote his book, he called it, "MESSAGE TO THE BLACKMAN IN AMERICA"! Now, anybody can accept the truth.

If the devil sees that The come and raise up a Messenger for us, Only us? All praise is due to Allah!

That's another thing about this ACTUAL FACTS Board that we won't accept. We're not expecting to hear somebody say that God only came for us. We don't want to hear that.

The Messenger says, *"Though, we, as a people, have become* just coming for the American so-called Negro. Islam is going to take over worldwide.

health care) parralell each other in economic growth. As more pork is consumed, the need for health care increases. So it's no wonder why the medical profession shrouds and protects "the other white meat" (PORK) as the real source of high blood pressure, arthritis, heart disease, liver and kidney disease, gall stones, and even the flu (to name a few).

According to a report published in 1973, titled, "Trichiniases in the U.S. Population, 1966-70: Prevalence and Epidemiologic Factors", Dr. W.J. Zimmerman reviewed the diaphragm muscle from multiple autopsies done in the U.S. in the late 1960"s, and reported that trichinosis was a typical finding as the cause of death.

Influenza (flu) is one of the most famous illnesses which pigs share with humans. This illness is harbored in the lungs of pigs during the summer months and tends to affect pigs and humans in the cooler months.

Sausage contains bits of pigs' lungs, so those who eat pork sausage tend to suffer more during epidemics of influenza and more frequently suffer from other respiratory problems.

Pig meat contains excessive quantities of growth hormone, which promotes inflammation. This leads to swelling and deposits of mucus in tendons and cartilage, resulting in arthritis, rheumatism, etc.

About 90% percent of the people in the United States have some form of trichinosis either from eating trichina worms, which are found in pork.

The United States Center for Disease Control (CDC) reported in 2015 study that Historically, 60%–

arrive the pork worm forms a protective covering (cyst) around it. This cyst can protect the worm for many years. Messenger Elijah Muhammad taught his followers that after we stop eating pork, it takes at least seven years before we can rid ourselves of the pork worms.

Telling a patient that his problem is trichinosis would be like telling him or her, "you don't need my medicines and treatments, all you need to do is stop eating pork." Health care is one of the fastest-growing sectors in the U.S. economy. Health care consumption doubled from 7 percent of the U.S. gross domestic product in 1970 to more than 14 percent in 2002. It is expected to reach 17 percent of the GDP by 2011, says the Centers for Medicare and Medicaid Services. In the U.S., three of the six most common food-borne parasitic diseases of humans are associated with pork consumption.

Dr. William Kelley, a famous cancer specialist says: "I find parasites in 92% of people. Everybody - rich and poor - the whole population have parasites..."

Doctors will tell you that beef, chicken and pork all have parasites. This is true. But what most won't tell you is that the pork is the worst meat you could eat. Since the mid-1970s, the sales of the three major meats consumed in the U.S. have changed. Beef accounted for about 45 percent of meat consumed in

of pork.

He didn't come for no Arabs. He didn't come for the Chinese. He didn't come for nobody BUT THE BLACKMAN!

When God's Messenger wrote his book, he called it, "MESSAGE TO THE BLACKMAN IN AMERICA"! Now, anybody can accept the truth.

If the devil sees that The Messenger is The Messenger, he can accept that and say, "I accept that. That's true". But God didn't come for him! He was made to be destroyed. So it doesn't even matter. He can accept it or not. He didn't come for you! Destruction was made for you before you were born. All praise is due to Allah!

So yes, anybody can accept the truth. But Allah came, IN PERSON, for the BLackman! And why wouldn't He come for the Blackman?

We just showed you a few things about this devil. We can't go into depth in the limited space of this newspaper. But looking at the condition this devil has us in, Why wouldn't God come for us, since these devils kidnapped us, took us from our own home and forced us to come here, changed our names, changed our language, robbed us of our culture, made us hate ourselves and eat the wrong food?

This devil had total control over us for 400 years. Why wouldn't God

come and raise up a Messenger for us, Only us? All praise is due to Allah!

That's another thing about this ACTUAL FACTS Board that we won't accept. We're not expecting to hear somebody say that God only came for us. We don't want to hear that.

The Messenger says, *"Though, we, as a people, have become affected by over 400 years of contact with this race of devils, we have become like them in many ways. We are not, by nature, evil or unrighteous."*

So Allah knows that we are righteous, by nature. But we have been in the hands of an enemy. That's like if you have some poison, you can't purify no poison. But if you have some water that has some poison in it, you can save the water, just get the poison out. But if you have straight poison, ain't no help for the straight poison.

We just have poison in us. We have been poisoned by the white man. So God has come to take that poison out. And the way He's taking the poison out is with Islam, our Nature. Freedom, Justice and Equality. That's the Nature of the Blackman. So God raised up Messenger Elijah Muhammad to teach we are Muslim by Nature.

Everybody takes advantage of the Blackman, whether he is in America or Africa. Islam is not

just coming for the American so-called Negro. Islam is going to take over worldwide.

The Planet Earth is the home of Islam. That's why you see in our flag, The Sun (the red background), moon and star. And that's why on the Messenger's fez you always saw the sun, moon and star. Because this belongs to you and me. Another ACTUAL FACT!

The Blackman would never have expected somebody say that the Sun, Moon and Star belongs to him.

Yes! The Sun, Moon and Stars belongs to The Blackman. We have been robbed by the whiteman. Robbed of our Knowledge of Self. Because if we had the Knowledge of Self, we wouldn't act like we act. We would love our self.

It's natural to love yourself. But Black people have envy in ourselves about our brother. And we will love the devil over our brother, because that's what they teach you in Christianity. They teach you to "Love your enemies".

That's what Christians taught us to do. But in Islam, we don't teach nobody to love your enemy. It's NOT NATURAL!

The Messenger said, since the white man knows he is the devil, our enemy, he teaches us that to

ATLANTA--Peace to you Brothers and Sisters. To the so-called Negro, African-American:

In 1877, the Holy Tribe of Shabazz is found in the Western Hemisphere. And in the Holy City Mecca, Fard ibn Alfonso, Son of Man, is born February 26, 1877.

In 1930, July 4th. He came to America, the state of Michigan, City of Detroit, and declared that the people here, going by the name of our former slave-master, are members of the Holy Tribe of Shabazz, who were lost for 400 years. He came to the West by Himself to redeem us and to charge the government of America with the kidnapping and murder of us.

He raised one (Messenger Elijah Muhammad) from us and taught The Messenger who He is and that He came to make a new civilization out of us the so-called Negro.

He taught told The Messenger to warn us that we must give the slave-master his name back and that our birth name is Shabazz, which has a history of 66 trillion years.

Messenger Elijah Muhammad was His choice to be The One to lead us out of the grave of ignorance to the truth, which is who we are, who the devil is, and that we must follow is Messenger for His guidance.

You can believe it or not. Read Revelations 18 in your Bible.

For those of you who don't believe what is going on in America today with us, we, the Believers in what The Honorable Elijah Muhammad said in 1972, when he was asked by reporters, "Who will be your successor?" His answer was Allah, Himself, will guide the Nation of Islam. You can believe it or not!

Today we are executing His Message. You know the real Believers when you hear them because they are carrying the same Message that The Honorable Elijah Muhammad carried with No Changes.

Master Fard Muhammad (Allah) God in Person has come to destroy the so=called civilization of America! Not to compromise!

For you who profess to be in the Messenger's seat, you are a liar and are perpetuating a fraud! If what I say is not true, Prove it!

be able to get among us and rule us. So, when the white man does something against us, just like we see with this sister, they don't expect us to nothing.

They taught us to be Christians. So most Black people don't do nothing when the white man does something to us, just like them hanging these brothers. Most times we are so afraid, that you won't do nothing, no matter what the white man does. Even if we were a hundred to one. One white man could could have still lynched them brothers. He has had 400 years to put fear in us. But Islam, as the Messenger says, takes the fear out of your heart because it's Freedom, Justice and Eqauality!

It's natural for you to love your self and defend yourself. It's natural for you to help yourself. It's natural for you not to allow someone else to do for you, what you can do for yourself. That's Natural. But we had to be taught that. That's a shame!

If you really think about it, it's natural to eat the right food. But that's how deaf, dumb and blind we are. Naturally, you wouldn't eat a rat. Why would you eat a rat? You know it ain't no nutrition in no rat. You know a rat eats filth. You look at rat and automatically say, "I don't want to eat no rat".

But we eat a pig (which is cat, rat and dog). It's 99.999% poison. Now in your right mind, you would NEVER eat nothing like that. But the Messenger spent over 44 years warning Black people NOT TO EAT THE HOG, It's a DIVINELY PROHIBITTED FLESH! We know that! But we still will eat the hog.

You can go to the bar and some bartenders will say, "Choose your poison! On the rocks or not?" They don't have to lie to you and tell you it's good for you, "Choose your poison". And you say, "I want mine on the rocks".

You can go on YouTube, right now and they will show you a McDonalds hamburger and some Chicken McNuggets that have set for 5 years and ain't molded or nothing, but you will still go to McDonalds and get some "food".

Because we've been in the hands of an enemy. The white man has taught us to hate our self, like he hates his self. They have taught us all this time, so we have taken on their characteristics. We have come love filth and indecency, just like white people.

So we needed The God. We needed somebody to help us! We needed somebody to teach us how to make the RIGHT CHOICE! That's what this ACTUAL FACTS Board is asking you. WHICH ONE? Are you going to choose Slavery, Suffering and Death (CHRISTIANITY) or Freedom, Justice and Equality (ISLAM).

Foreword of Message To The Blackman in America

By Minister Michael Shabazz

Minister Michael Shabazz

LONG BEACH--As salaam alaikum! I just want to continue looking at and reviewing Message To The Blackman in America by MESSENGER ELIJAH MUHAMMAD.

So we come to the forward "Truth About Muhammad", By Dan Burley.

If you are reading the book as I am...again, he points out that Muhammad was particularly fitted to be a teacher of men.

Right up there with great teachers like Moses, Mohammed of Arabia, and Jesus Christ, to name a few.

"They taught the truth of life and it's practical essence, taking the torch of mental freedom among the great masses of mankind and thus enlightening the world of their day." Those words are as powerful today as they were yesterday.

Dan Burley was a noted journalist when this forward was written and was very familiar with the teachings of Messenger Muhammad.

"The man is teaching the truth whether he says he gets it from the Christian God or the Moslem Allah", Dan Burley writes, quoting a minister in Cleveland, Ohio where Messenger Muhammad spoke.

Why is there so much opposition to Messenger Muhammad's program? Twelve (12) good this particular article and the discussion about the forward to the book by Dan Hurley and focus on the last four paragraphs of his forward.

He writes: "and Muhammad's writings, despite his lack of formal education, are built on separate words designed for permanency." Very powerful. " What he writes is told in the language of the little fella so there can be no mistake or confusion of purpose or shades of meaning ...." "The messenger of Allah is meticulous about what he writes and insists that not a word be changed when his final drafts are completed."

So why is there so much confusion among the followers of The Messenger today? How did that happen? It could be that too

were a hundred to one. One white man could could have still lynched them brothers. He has had 400 years to put fear in us. But Islam, as the Messenger says, takes the fear out of your heart because it's Freedom, Justice and Eqauality!

Hasan's Corner

Running Out of Time

By
Abdul Azeez Hasan

VIRGINIA--Black man and Black woman, you are being set up for the Greatest Show on Earth.

Shakespeare told us that the "entire world is a stage and it's people merely players."

I took him to task, and asked, Who is watching the show?

My answer is I AM. Only a Bible reader will know that God called himself I AM.

I likened myself to God and meant that I was watching the show too.

Back up and reference the December-January 2013 issue of Muhammad Speaks, Vol. 10, No.2. My article was printed in that edition: "Hasan's Corner, Proverbs By Abdul Azeez Hasan.

Fast forward to our time, January, 2020. I am still watching the show and so is God.

The Black Muslim followers of The Honorable Elijah Muhammad are strongly encouraged to change their slave names, given to them by the slave master, to a righteous name, one of the attributes of God.

This is a prerequisite for entrance to the hereafter, along with recognizing God as the Supreme Being and Muhammad as His Messenger.

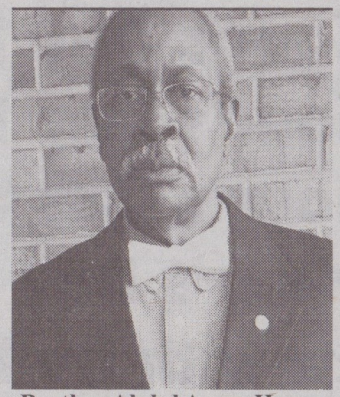
Ask yourself, "Why would God allow someone into His Heaven who is a slave to someone other than Him?"

Can you imagine the chaos, rebellion, confusion and conflict that would occur as a result of such a state of condition?

It would take 6,000 more years to sort out the wheat from the tares.

Six (6) years passed since my first article was printed in Muhammad Speaks. In the September-October 2019,Vol. 13-1, Hasan's Corner appeared again. Of course with a different subject, but delivered in the same spirit.

My God given name is Abdul (Slave Servant of Almighty God).



Brother Abdul Azeez Hasan
New Port News,VA

Azeez (The Most Dear and Powerful God). Hasan (Handsome and Agreeable) and I agree.

This name is the Farsi Translation of my name. It is Iranian.

I was born in Memphis, Tennessee in The United States.

I am running out of spacem but, Black Brother and Sister, you are running out of time! Keep reading Muhammad Speaks!

Greetings to The Believers. As-Salaam-Alaikum

it's practical essence, taking the torch of mental freedom among the great masses of mankind and thus enlightening the world of their day." Those words are as powerful today as they were yesterday.

Dan Burley was a noted journalist when this forward was written and was very familiar with the teachings of Messenger Muhammad.

"The man is teaching the truth whether he says he gets it from the Christian God or the Moslem Allah", Dan Burley writes, quoting a minister in Cleveland, Ohio where Messenger Muhammad spoke.

Why is there so much opposition to Messenger Muhammad's program? Twelve (12) good reasons are given right here in this forward.

The first is that the truth is too unpleasant to hear. It is said that truth hurts the guilty. The truth that Messenger Muhammad teaches hurts those that are guilty of making slaves of black people for over 400 years.

It's easy to understand why they don't want black people to know it. They don't want black people to hear it and they don't want black people who know it to teach it to other black people, for fear that black people would seek to do something for themselves and go away from white domination over them.

I hope that you have yourself a ***Message To The Black Man in America*** by Messenger Muhammad and reading along with me and reading it for yourself.

But I would like to close this particular article and the discussion about the forward to the book by Dan Hurley and focus on the last four paragraphs of his forward.

He writes: "and Muhammad's writings, despite his lack of formal education, are built on separate words designed for permanency." Very powerful. " What he writes is told in the language of the little fella so there can be no mistake or confusion of purpose or shades of meaning ...." "The messenger of Allah is meticulous about what he writes and insists that not a word be changed when his final drafts are completed."

So why is there so much confusion among the followers of The Messenger today? How did that happen? It could be that too many of us just don't read.

There's a saying that if you want to hide something from a Negro put it in a book.

The very last paragraph of this foreword: "The result is that what he says is unmistakable, for what he puts on paper is exactly what he wants to convey, and there is the core of what makes his program for the salvation of the American black man so comprehensible and beneficial. Readers, whether or not they agree with him, are forced to admit "that the man is telling us the truth."

The above was just a few excerpts from the foreword to Message the Blackman by Daniel Burley.

A very enlightening foreword approved by the Messenger.

Truth does not change.

What the Muslims Want

This is the question asked most frequently by both the whites and the blacks. The answers to this question I shall state as simply as possible.

1. We want freedom. We want a full and complete freedom.

2. We want justice. Equal justice under the law. We want justice applied equally to all, regardless of creed, or class, or color.

3. We want equality of opportunity. We want equal membership in society with the best in civilized society.

4. We want our people in America whose parents or grandparents were descendants from slaves, to be allowed to establish a separate state or territory of their own...either on this continent or elsewhere. We believe that our former slave masters are obligated to provide such land and that the area must be fertile and minerally rich. We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.

We want every black man and woman to have the freedom to accept or reject being separated

9. We want equal education -but separate schools up to 16 for boys and 18 for girls on the condition that the girls be sent to women's colleges and universities. We want all black children, educated, taught and trained by their own teachers.

Under such schooling systems we believe we will make a better nation of people. The United States government should provide, free, all necessary text books and equipment, schools, and college buildings. The Muslim teachers shall be left free to teach and train their people in the way of righteousness, decency and self respect.

10. We believe that intermarriage or race mixing should be prohibited. We want the religion of Islam taught without hindrance or suppression.

These are some of the things that we, the Muslims, want for our people in North America.

What the Muslims Believe

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted so that mankind will not be snared by the falsehoods that have been added to it.

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection. We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

pendent people and we respect their laws which govern this nation.

9. WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends". Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for

slave masters are obligated to provide such land and that the area must be fertile and minerally rich. **We believe that our former slave masters are obligated to maintain and supply our needs in this separate territory for the next 20 to 25 years...until we are able to produce our own needs.**

Since we cannot get along with them in peace and equality, after giving them 400 years of our sweat and blood, and receiving in return some of the worst treatment human beings have ever experienced, we believe our contributions to this land and the suffering forced upon us by white America, justifies our demand for complete separation in a state or territory of our own.

5. **We want freedom for all Believers of Islam now held in federal prisons. We want freedom for all black men and women now under death sentence in innumerable prisons in the North, as well as the South.**

We want every black man and woman to have the freedom to accept or reject being separated from the slave master's children and establish a land of their own.

We know that the above plan for the solution of the black and white conflict is the best and only answer to the problem between two people.

6. **We want an immediate end to the police brutality and mob attacks against the so-called Negro throughout the United States.**

We believe that the Federal government should intercede to see that black men and women tried in white courts receive justice in accordance with the laws of the land - or allow us to build a new nation for ourselves, dedicated to justice, freedom and liberty.

7. As long as we are not allowed to establish a state or territory of our own, we demand not only equal justice under the laws of the United States, but equal employment opportunities - NOW.

We do not believe that after 400 years of free or nearly free labor, sweat and blood, which has helped America become rich and powerful, that so many thousands of black people should have to subsist on relief, charity, or live in poor homes.

8. We want the government of the United States to exempt our people from All Taxation as long as we are deprived of equal justice under the laws of the land.

1. WE BELIEVE in the One God Whose proper Name is Allah.

2. WE BELIEVE in the Holy Qur'an and in the Scriptures of all the Prophets of God.

3. **WE BELIEVE in the truth of the Bible, but we believe that it has been tampered with and must be reinterpreted** so that mankind will not be snared by the falsehoods that have been added to it.

4. WE BELIEVE in Allah's Prophets and the Scriptures they brought to the people.

5. **WE BELIEVE in the resurrection of the dead -- but not in the physical resurrection -- but in mental resurrection.** We believe that the so-called Negro's are most in need of mental resurrection therefore they will be resurrected first.

Furthermore, we believe we are the people of God's choice, as it has been written. That God would choose the rejected and the despised. We can find no other persons fitting this description in these last days more than the so-called Negro's in America. We believe in the resurrection of the righteous.

6. **WE BELIEVE in the judgement; We believe this first judgement will take place in America.**

7. WE BELIEVE this is the time in history for the separation of the so-called Negro's and so-called white Americans. We believe the black men should be freed in name as well as in fact. By this we mean that he should be freed from the names imposed upon him by his former slave masters. Names which identified him as being the slave master's slave. We believe that if we are free indeed, we should go in our own people's names - the black people of the earth.

8. **WE BELIEVE in justice for all, whether in God or not;** We believe as others, that we are due equal justice as human beings. We believe in equality -- as a nation -- of equals. We do not believe that we are equal with our slave master in the status of "freed slaves".

We recognize and respect American citizens as independent people and we respect their laws which govern this nation.

9. **WE BELIEVE that the offer of Integration is hypocritical and is made by those who are trying to deceive the black people into believing that their 400 year-old open enemies of freedom, justice and equality are, all of a sudden, their "friends".** Furthermore, we believe that such deception is intended to prevent black people from realizing that the time in history has arrived for the separation from the whites of this nation.

If the white people are truthful about their professed friendship toward the so-called Negro, they can prove it by dividing up America with their slaves.

We do not believe that America will ever be able to furnish jobs for her own millions of unemployed, in addition to jobs for the 20,000,000 black people as well.

10. WE BELIEVE that we who declared ourselves to be righteous Muslims, should not participate in wars which take the lives of humans. We do not believe this nation should force us to take part in such wars, for we have nothing to gain from it unless America agrees to give us the necessary territory wherein we may have something to fight for.

11. WE BELIEVE our women should be respected and protected as the women of their nationalities are respected and protected.

12. **WE BELIEVE that Allah (God) appeared in the Person of Master Fard Muhammad, July, 1930; the long-awaited "Messiah" of the Christians and the "Mahdi" of the Muslims.**

We believe further and lastly that Allah is God and besides HIM there is no God and He will bring about a universal government of peace wherein we all can live in peace together.
